

# Forgotten Rebels, Criminal Zero

Havin fun livin in a life of crime,  
Runnin on luck runnin out of time,  
Your gonna make news in the evening papers,  
Cause a crack shot angle just foiled your capers,  
Your marked, and I know who you are  
When I make you my target, papers make us stars,

No dead crook ever took what's mine,  
And vigilant bullets are color blind,  
Your marked, and I know who you are,  
When I make you my target, papers make us stars,

I've got 5 bucks for you  
I've got 5 bucks for you  
I'm the vigilant super hero to exterminate the criminal zero  
I've got 5 bucks for you, you an you an you

Rob me an expect the worst  
Your gonna get nothin cause I'll kill you first,  
Your marked, and I know who you are,  
When I make you my target, papers make us stars.  
I've got 5 bucks for you  
I've got 5 bucks for you  
I'm the vigilant super hero to exterminate the criminal zero  
I've got 5 bucks for you, you an you an you
