

Forgotten Rebels, Elvis Is Dead

Elvis is dead, Elvis is dead
The big fat guy is dead, dead, dead
Elvis is dead, Elvis is dead
The big fat goof is dead, dead, dead
Millions of assholes mourned his death
I'm gonna steal his body from the place of rest (x2)
Give him back in pieces when the ransom's paid
Leave his hypodermics where the moneys laid
Elvis is dead, Elvis is dead
The big fat goof is dead, dead, dead
Elvis is dead, Elvis is dead
Spend your money on our records instead
