

Fort Minor, Believe Me

Fort Minor:

I guess that this is where we've come to
If you don't want to
Then you don't have to believe me
But I won't be there when you go down
Just so you know now
You're on your own now believe me

Ryu:

I don't want to be the one to blame you like fun and games
Keep playing 'em, I'm just saying
Think back then you was like one and the same
On the right track but I was on the wrong train
It's like that, now you gotta face the pain
And the devil's got a fresh new place to play
In your brain like a maze you can never escape
The rain, every damn day's the same shade of grey

Mike:

Hey, I used to have a little bit of a plan
Used to have a concept to where I stand
But that concept slipped right out of my hand
Now I don't even really know who I am
Yo, what do I have to say?
Maybe I should do what I have to do to break free
And whatever happens to you, we'll see
But it's not gonna happen with me

[Chorus]

Fort Minor:

I guess that this is where we've come to
If you don't want to
Then you don't have to believe me
But I won't be there when you go down
Just so you know now
You're on your own now believe me

Mike:

Back then, I thought you were just like me
Somebody who could see all the pain I see
But you proved to me unintentionally
That you would self destruct eventually
Now I'm faking like the mistake I make doesn't hurt
But it's not gonna work cause it's really much worse than I thought
I wished that you were something you were not
And now this guilt is really all that I've got

Tak:

Uh, you turn your back and walk away in shame
All you got is a memory of pain
Nothing makes sense so you stare at the ground
And hear my voice in your head when no one else is around
So what do I have to say?
Maybe I should do what I have to do to break free
And whatever's gonna happen to you, we'll see
But it's not gonna happen with me

[Chorus]

Fort Minor:

I guess that this is where we've come to
If you don't want to
Then you don't have to believe me
But I won't be there when you go down
Just so you know now

You're on your own now believe me

I guess that this is where we've come to
If you don't want to
Then you don't have to believe me
But I won't be there when you go down
Just so you know now
You're on your own now believe me

I'll do what I have to do
You're on your own now believe me
Whatever happen to you
You're on your own now believe me
What do I have to say?
You're on your own now believe me
It's not gonna happen with me
You're on your own now believe me
