

# Fort Minor, High Road

Lets go ya'll

These people are running off at the mouth  
Tryin to convince me that I'm running on empty  
Tryin to convince themselves that the record with Jay was a fluke  
That the record that I'm makin is a mistake  
and I cant take this  
Lemme tell you where I'm at with this  
You bastards are gonna have to take back that shit  
I'm not plastic and fake  
When I make tracks I take facts and lay them out for the masses  
You assholes are gonna see soon that I'm not playin  
Start askin me the names that I'm not sayin  
But I'm tryin to be bigger than the bickerin  
bigger than the petty name callin  
under the breath talkin  
rumors and labels and categorization  
I'm like a struggling doctor, No patients  
But you can say what you want about me  
keep talkin while I'm walkin away

You can say what you have to say  
cuz my mind's made up anyway  
I'm taking the high road going above you  
this is the last time that I'm gonna trust you  
You can say what you have to say  
cuz my mind's made up anyway  
all that bullshit you talk might work a lot  
but it's not gonna work today

You people are running off at the mouth  
Tryin to make me take myself off safety  
Tryin to make my friends turn their backs on the team we built  
buildin up some mistaken information  
and I cant take this  
lemme spell it out plain for you  
angry groups complain about the things we do  
im not changing direction, I'm stepping my game up  
Maintainin my name, the same way I came up  
You're gonna see that I'm not playin  
start asking the names that I'm not sayin  
but im tryin not to mention the names of people who wanna sight and attention  
You like the hype but pretendin you're part of the picture wont pass  
You're like a high school dropout, no class  
You can say what you want about me  
keep talkin while i'm walkin away bitch

You can say what you have to say  
cuz my mind's made up anyway  
I'm taking the high road going above you  
this is the last time that I'm gonna trust you  
You can say what you have to say  
cuz my mind's made up anyway  
all that bullshit you talk might work a lot  
but it's not gonna work today

Why does it always have to be  
Somebody's always watching me  
All I really need is some room to breathe  
Is anybody out there listening?  
Cuz I cant stand to keep this in  
All I really want, I'll say it again

You can say what you have to say

cuz my mind's made up anyway  
I'm taking the high road going above you  
this is the last time that I'm gonna trust you  
You can say what you have to say  
cuz my mind's made up anyway  
all that bullshit you talk might work a lot  
but it's not gonna work today
