

# Fort Minor, Start It All Up (Demo)

Yo,  
Give me a second, I'll write about my pain for pages,  
I got a head full of frustrated phrases,  
So just bear with me as i get this out,  
You know the type of person that i'm talking about.  
These people who want to act like they've got your back,  
They never had your back, they just stab you in it,  
I never pretended i had it all together inside,  
I got insecurities and things that I'm trying to hide,  
And I could, never seem to get anything right,  
And I could, never seem to stop busting my fight,  
And I could, never seem to get it right with you,  
And I could, never redeem myself when i'm through,  
But sometimes, you know what? I just don't care,  
I'm gonna speak my mind and let everybody stare,  
This is the last time, I'm telling you real loud,  
You wanna tell me I'm wrong? let's do it right now.

Start it all up, I'm ready to go,  
All I need is a signal just to let me know,  
Come on, start it all up, 'cuz all I want,  
Is an excuse to let loose the tension I got.  
Start it all up, I'm ready to go,  
All I need is a signal just to let me know,  
Come on, start it all up, 'cuz all I want,  
Is an excuse to let loose the tension I got.

Give me a minute, I'll fill a newspaper with collumns,  
'cuz people saying that I got an additude problem,  
That I'm negative when I rhyme, I complain,  
Pessimistic all the time, in these lines,  
All the same, I just talk like this on a record and let it out,  
I just, cock back and let it all come flooding out,  
I just, say the things that I know I feel are real,  
I peel back the kin 'till the nerves reveal,  
You want to come with me? come closer to the speaker,  
You want to run with me? you're gonna have to dig deeper,  
You wanna let it all out, I'll show you how,  
You wanna tell me I'm wrong?, we can do it right now.

Start it all up, I'm ready to go,  
All I need is a signal just to let me know,  
Come on, start it all up, 'cuz all I want,  
Is an excuse to let loose the tension I got.  
Start it all up, I'm ready to go,  
All I need is a signal just to let me know,  
Come on, start it all up, 'cuz all I want,  
Is an excuse to let loose the tension I got.

Mike Shinoda.  
The most ferocious.  
Mike Shinoda.  
With or without an accomplice.

Start it all up, I'm ready to go,  
All I need is a signal just to let me know,
