

# Fort Minor, The High Road

(Spoken)

Lets go y'all

These people are running off at the mouth  
Tryin' to convince me that I'm running on empty  
Tryin' to convince themselves that the record with Jay was a fluke  
That the record that I'm makin' is a mistake  
And I cant take this  
Lemme tell you where I'm at with this  
You bastards are gonna have to take back that shit  
I'm not plastic and fake  
When I make tracks I take facts and lay them out for the masses  
You assholes are gonna see soon that I'm not playin'  
Start askin' me the names that I'm not sayin'  
But I'm tryin' to be bigger than the bickerin'  
Bigger than the petty name callin'  
Under the breath talkin'  
Rumors and labels and categorization  
I'm like a struggling doctor, No patients  
But you can say what you want about me  
Keep talkin' while I'm walkin' away

(Chorus)

You can say what you have to say  
'Cause my mind's made up anyway  
I'm taking the high road going above you  
This is the last time that I'm gonna trust you  
You can say what you have to say  
'Cause my mind's made up anyway  
All that bullshit you talk might work a lot  
But it's not gonna work today

You people are running off at the mouth  
Tryin' to make me take myself off safety  
Tryin' to make my friends turn their backs on the team we built  
Buildin' up some mistaken information  
And I cant take this  
Lemme spell it out plain for you  
Angry groups complain about the things we do  
I'm not changing direction, I'm stepping my game up  
Maintainin' my name, the same way I came up  
You're gonna see that I'm not playin'  
Start asking the names that I'm not sayin'  
But I'm tryin' not to mention the names of people who wanna sight and attention  
You like the hype but pretendin' you're part of the picture wont pass  
You're like a high school dropout, no class  
You can say what you want about me  
Keep talkin' while I'm walkin' away bitch

(Chorus)

You can say what you have to say  
'Cause my mind's made up anyway  
I'm taking the high road going above you  
This is the last time that I'm gonna trust you  
You can say what you have to say  
'Cause my mind's made up anyway  
All that bullshit you talk might work a lot  
But it's not gonna work today

Why does it always have to be  
Somebody's always watching me  
All I really need is some room to breathe  
Is anybody out there listening?  
'Cause I cant stand to keep this in

All I really want, I'll say it again

(Chorus)

You can say what you have to say  
'Cause my mind's made up anyway  
I'm taking the high road going above you  
This is the last time that I'm gonna trust you  
You can say what you have to say  
'Cause my mind's made up anyway  
All that bullshit you talk might work a lot  
But it's not gonna work today
