

Forty Foot Echo, Hollow

Maybe you got the world blind
But I know you deep inside
I'm gonna wait to expose you
One day I'mma know the truth
Then you'll come around
And I'll be waiting
Yeah, I won't make a sound
When they open their eyes to you
When they open their eyes

Cuz you seem so hollow
Hollow like me
When you see my eyes
Do you hide your face
You seem so hollow
Hollow like me
When you see my eyes
Do you turn away

You gave me something to realize
You're nothing more than a sold-out brother prize
I got a taste for the innocent
You fought from that cuz you were always pretent
Then you'll come around
And I'll be waiting
When you're face hits the ground
I'll be laughing at your toes

Cuz you seem so hollow
Hollow like me
When you see my eyes
Do you hide your face
You seem so hollow
Hollow like me
When you see my eyes
Do you turn away

Never thought I'd see you fall apart
Never saw the world come through your eyes
Ah ahah
Ah ahah

Cuz you seem so hollow
Hollow like me
When you see my eyes
Do you hide your face
You seem so hollow
Hollow like me
When you see my eyes
Do you turn away
You're hollow like me
Yeah, like me
