

# Foster The People, Imagination

I wouldn't try to throw myself away  
if you asked me, I'd say  
to be careful, my love  
at death we'll leave the same  
if you want me to stay  
don't keep me waiting for it

we can't change the things we can't control  
it's summer somewhere so you shouldn't be so cold  
but you can't even look at me in the wye if you tried  
we can try, we can try

I see us dancing by ourselves  
we do it better with no one around  
just you in my imagination  
in my imagination

there's nothing left to cry about  
I guess i am living in a drought  
it's raining like It was before  
something that you never knew you needed more of

we can't change the things we can't control  
it's summer somewhere so you shouldn't be so cold  
but you can't even look at me in the wye if you tried  
we can try, we can try

I see us dancing by ourselves  
we do it better with no one around  
just you in my imagination  
in my imagination

my imagination  
my imagination

I see us dancing by ourselves  
we do it better with no one around  
just you in my imagination  
in my imagination

I can do so many things  
so many things /2  
you know if you just use your imagination  
if you just use your imagination  
I really love you
