

I believe in you and me
I believe that we will be
In love eternally
As far as I can see
You will always be the one for me
Oh yes you will

I will never leave your side
I will never hurt your pride
When all the chips are down
I will always be around
just to be right where you are
my love...oh I love you girl

Deep inside can't you see
I believe in you and me

I believe in miracles
Love is a miracle
and maybe you're a dream come true
I was lost now I'm free
I believe in you and me
I was lost now I'm free
I believe in you and me
