

Fourth In The Fire, Resound

Most brilliant God
The Son above
Spirit of Mercy
I long for Your touch
Come to this place
Give me a taste
Of Your life and love
and amazing grace

CHORUS

Let Your love resound
Allow my heart to sing along
Fill this voice with praise
As I give honor to Your name

Glorious Father
Wonderful Friend
Precious and Holy
Your love never ends
Amazing power
I long for the hour
When you come again
And you call me (call me) Your friend

Chorus till end
