

# Foxes, Cruel

Tell a lie /2x  
That makes me want to stay  
Give me something out of nothing  
If it's not too late  
If it's real /2x  
I guess I feel the pain  
Coming closer  
Out of focus

And It's hard to /2x  
Love someone who can't be loved  
But  
It's what you do /2x

Baby,  
You're so cruel / 2x  
Coz you got me  
Bound to you /2x  
This love I  
Can't undo /2x  
Coz you got me  
Bound to you /2x

Losing me,  
Carelessly you sacrifice  
Give me something out of nothing  
If It's not too late  
Did you steal or borrow me and all my life?  
Coming closer  
Out of focus

And It's hard to /2x  
Love someone who can't be loved  
But  
It's what you do /2x

Baby,  
You're so cruel / 2x  
Coz you got me  
Bound to you /2x  
This love I  
Can't undo /2x  
Coz you got me  
Bound to you /2x
