

Foxy Shazam!, The French Passion Of Animality

That concentrated gaze
you gave my eyes
I've never looked this deep into myself before
And I'm pretty sure
that I'm only human, then again I could be wrong

Sometimes I'm right
Sometimes I'm wrong
I never felt this way about anything
I am a Beast and i'm pretty sure
That there is no cure, but then again I could be wrong

The stars the stripes the goddess in gold
I gotta keep a steady rythm of fashion and old
The way look the way you smell it all makes me feel
I wanna DDDDDDDDDDDDie

I wanna live today but tonight
Chain me to the bed i wanna
Live today but tonight
Chain me to the bed and chain it tight

Out of control, I am a beast
