

# Fozzy, Freewheel Burning

Fast and Furious  
We ride the universe  
To carve a road for us  
That slices every road in sight

We accelerate  
No time to hesitate  
This load will detonate  
Whoever would condemn this right

Born to lead  
At break-neck speed  
With high octane  
We're spitting flames

Freewheel Burning  
Freewheel Burning

On we catapult  
We're thrusting to the hilt  
Unearthing every fault  
Go headlong into any dare

Born to lead  
At break-neck speed  
With high octane  
We're spitting flames

We don't accept defeat  
We never will retreat  
We blaze with scorching heat  
Obliterations everywhere

Born to lead  
At break-neck speed  
With high octane  
We're spitting flames

Freewheel Burning  
Freewheel Burning

Look before you leap  
Has never been the way we keep  
Our road is free  
Charging to the top  
And never give in never stops the way to be  
Hold on to the lead  
With all your will and your concede you'll find there's life  
With victory on high

(Guitar Solo)

Look before you leap  
Has never been the way we keep  
Our road is free  
Charging to the top  
And never give in never stops the way to be  
Hold on to the lead  
With all your will and your concede you'll find there's life  
With victory, with victory on high
