

Fozzy, Where Eagles Dare

It's snowing outside
The rumbling sound
Of engines roar
In the night
The mission is near
The confident men
Are waiting to drop
From the sky
The Blizzard goes on
But still they must fly
No one should go
Where eagles dare

Bavarian Alps
That lay all around
They seem to stare
From below
The enemy lines
A long time passed
Are lying deep in the snow
Into the night
They fall through the sky
No one should fly
Where eagles dare

-Solos-

They're closing in
The fortress is near
It's standing high
In the sky
The cable car's
The only way in
It's real impossible to climb
They make their way
But maybe too late
They've got to try
To save the day

The panicking cries
The roaring of guns
Are echoing all
Around the valley
The mission complete
They make to escape
Away from the Eagles Nest
They dared to go
Where no one would try
They chose to fly
Where eagles dare
