

# Fozzy, With The Fire

You said that I'd  
never make it  
But here I am  
And it don't take long  
to figure out  
Who's the man

Pre-Chorus:

And it's hard to believe  
that a man like me  
Has the courage  
to take a stand  
I hear the roar of the crowd  
As I reach for my crown  
Tonight I am the king

Chorus:

You can't take me down  
Can't take me down

I never have to fake it  
It's who I am  
Born with the fire to burn  
You'll be damned

I am the best in the game  
Shoot you down in flames  
And the power  
I will command  
I hear the roar of the crowd  
As I reach for my crown  
Tonight I am the king
