

Fragma, Move On

You've gotta Move On.
Don't let anybody spoil your day.
You've gotta Move on --
On and on, it's just a game we play.

You've gotta Move On.
Move On.
Move On...

You've gotta Move On.
Move On.
Move On...

(Move On...
Move On...
Move On.)

(Move On...
Move On...
Move On.)

(Move On...
Move On...
Move On.)

You've gotta Move On.
Don't go chasing things you never had.
You've gotta Move On
And live a better life instead.

You've gotta Move On.
Move On.
Move On...

You've gotta Move On.
Move On.
Move On...
