

Framing Hanley, Home

Insecurities

Hid beyond the hotel lobby
While I'm forced to call this a home
Without you
So let's keep this conversation
Lingering on
Don't say good night,
Not while I am

Gone

This will be a long, long ride
And Ill be dreaming of coming
Home
And when you are alone tonight
Ill be writing you another song

Waiting for release

I miss the sound of you laughing
And Ill never call this a home without you
So lets get this conversation lightened up
Dont say goodnight, not while I am

Gone

This will be a long, long ride
And Ill be dreaming of coming
Home
When you are a lone tonight
Ill be writing you another song

Keep your eyes on the road
Were gonna make it out of this town
Keep your eyes on the road
Were gonna make it out of this town

We could run away, away

Im gone

This will be a long, long ride
Long ride
Im dreaming of coming
Home, Home, Home
Im writing you another song
