i tell u how i feel  
it wouldnt mean a thing  
cause if i gotta do to u  
i would see a change  
it took a while to let it go  
i'll just be alone  
deleting all the messages  
u left me on the phone  
u actin like im makin messed up  
like everybody dont know whats the deal  
my boys try to tell me waz up  
cause see by the way u wasnt real  
why do u keep sayin everything will change  
guess ur right i got my numbers changed yesterday  
girl u know i tried i tried to do  
everything i could i could for u  
u became a part a part of me  
and sometimes it got let gotta let go baby  
i tell u how i feel  
it wouldnt mean a thing  
cause if i gotta do to u  
i would see a change  
it took a while to let it go  
i'll just be alone  
deleting all the messages  
u left me on the phone
