

Franco Battiato, Chanson Egocentrique

Avenue park
My life in the dark
I with me.
Do you smile
For Arabian style
I like it.
Miami beach boys
Children with toys
Across the universe.
Chanson egocentrique
Self-centered song,
Chanson egocentrique
self-centered song.
Who am I?
Where am I?
When I'm out of myself
Where do I come from?
Tell me where I go?
(Chorus)
I come from Sicily
Not far from Africa
I sing for EMI Records;
Slowly the moon
To take our lives again.
Central Park
I love in the dark
Ich bin klein;
People sang
Around the campfire ground
I remember prehistoric sound
Was the time of the dinosaur age
Oh, nein.
(Chorus)
(He tells me)
Oh, I'm so lonely
My heart is breking,
So...When you see my girl
Tell her that I love her.
