

Frank Black And The Catholics, Jaina Blues

I'm working on my Maitri
It doesn't matter who you are
Just only that you're living
I'm trying so hard

I'm working on Pramoda
I can't say I've gone as far
I'm so happy now to see you
Yeah, you soul star

That's the Jaina blues (x4)

I'm working on my Karuna
I'm gonna help you through this part
Nothing's gone your way it seems
You're trying so hard

That's the Jaina blues (x2)

I never dreamed
That this would be
So hard

I'm working on Madhyastha
I won't finish what you start
I'm not trying to listen
Yeah, I'm trying so hard

That's the Jaina blues
That's the Jaina blues
