

Frank Black, Out Of State

Maybe I'll fly
Wander some ocean
Maybe hitch-hike
To a place way out of state

Once there was love
Now there is nothing
I wasn't enough
You put another one on your plate

I can't come around down here
Not with you
And I won't hang around in vain
I can't come around down here
Not with you
And I won't be coming here again
I can't stand the pain

You say I should try
Forgive all your lies
You say I belong
But you're wrong
You're wrong

I can't come around down here
Not with you
And I won't hang around in vain
I can't come around down here
Not with you
And I won't be coming here again
I can't stand the pain
