

Frank Black, Sir Rockabye

You've got a sad face
You don't show it
And you're smiling it, too
Even in deep, deep outer space
There's something for you
I'm Sir Rockabye
And rockin' I am
I'm Sir Rockabye
And rockin' I am
The world is a rock that's
Spinning so fast
It'll give you jim-jams
I'm just a real love diplomat
Won't give you no flim-flams
How many stars girl
Can you both count
And then classify?
I'm standing here in this big swirl
Singing this lullaby
