Frank Sinatra, From Here To Eternity

You vowed your love From here to eternity A love so true, It never would die You gave your lips Gave them so willingly How could I know Your kiss meant goodbye? Now I'm alone With only a memory My empty arms Will never know why... Though you are gone This love that you left with me Will live from here to eternity. Now I'm alone With only a memory My empty arms Will never know why... Though you are gone This love that you left with me will live... From here to eternity.
