

# Frank Sinatra, I See Your Face Before Me

(Howard Dietz, Arthur Schwartz)

In a world of glitter and glow  
In a world of tinsel and show  
The unreal from the real thing is hard to know  
I discovered somebody who  
Could be truly worthy and true  
Yes, I met my ideal thing when I met you

I see your face before me  
Crowding my every dream  
There is your face before me  
You are my only theme

It doesn't matter where you are  
I can see how fair you are  
I close my eyes and there you are  
Always

If you could share the magic  
Yes, if you could see me too  
There would be nothing tragic  
In all my dreams of you

Would that my love could haunt you so  
Knowing I want you so  
I can't erase your beautiful face before me
