Frank Sinatra, If I Loved You

"Thank you very much, ladies and gentlemen. We'd, we'd like to dispense with the-uh, it so happens that we
just happen to have a couple of arrangements along with us. And, uh,
Remember, your elders
are sitting all around you.   We would like to, uh, do, as one of our encores, a very
lovely song. This,
if we may digress for a minute, is not from a motion picture-it is from a show called "Carousel
 a very lovely
tune called "If I Loved You."
If I loved you, time and again I would try to say
All I'd want you to know
If I loved you, words wouldn't come in an easy way
`round in circles I'd go
Longin' to tell you but, afraid and shy,
I'd let my golden chances pass me by
Soon you'd leave me, off you would go in the mist of day
Never, never to know
How I love you, if I loved you

Soon you'd leave me, off you would go in the mist of day
Never, never to know
How I love you, if I loved you
