

Frank Sinatra, Is There A Chance For Me

(back-up) [Connie Haines]

Is there a chance, is there a chance for me?

Is there some room in your heart, is there a place for me?

Is there a way, some way that I could thrill you,

Some other word I might say, something that I could do?

There could be sunshine and so much gladness,

Without you, darling, I'm filled with sadness.

So, is there a chance our love affair will be

More than a passing romance, is there a chance for me?

(Is there a chance, is there a chance for me?)

(Is there some room in your heart, is there a place for me?)

[Is there a way, some way that I might thrill you,]

[Some other word I might say, something that I could do?]

There could be sunshine and so much gladness,

Without you, darling, I'm filled with sadness.

(Tell me, is there a chance our love affair will be)

(More than a passing romance,) (for me, just a chance for me?)

(Is there a chance for me?).
