

# Frank Sinatra, It Started All Over Again

(Carl Fisher, Bill Carey)

[Recorded May 3, 1961, Los Angeles]

It started all over again the moment I looked in your eyes  
It started all over again, the thrill we can never disguise  
The day that we parted, so broken hearted, will never return again  
Dreams I've delayed, promises made are starting anew just for you

It started all over again the moment I held you so tight  
It started all over again when we kissed away the night till dawn's early light  
Now we're together, sweethearts forever, we'll build our romance anew  
It started all over again the moment I looked at you

[instrumental]

It started all over again when we kissed away the night, the dawn's early light  
Now we're together, sweethearts forever, we'll build our romance anew  
It started all over again the moment I looked at you
