

Frank Sinatra, Learn To Croon

MC: Frank Sinatra sings the old favorite Learn To Croon.

Frankie sings:

Learn to croon if you want to win your heart's desire,

Sweet melodies of love inspire romance.

Just whisper "You're so marvelous" and then when you do,

She'll answer you "You're so wonderful" and nestle closer to you.

Learn to croon, you'll eliminate each rival soon,

If you're heading for a sunny honeymoon,

Learn to croon.
