Frank Sinatra, Love Walked In

(George Gershwin, Ira Gershwin)

[Recorded May 18, 1961, Los Angeles]

Love walked right in and drove the shadows away Love walked right in and brought my sunniest day One magic moment and my heart seemed to know that love said hello Though not a word was spoken

One look, and I forgot the gloom of the past One look and I had found my future at last One look and I had found a world completely new When love walked in with you

[instrumental-first two lines of first verse] One magic moment and my heart seemed to know that love said hello Though not a word was spoken

[instrumental-first two lines of second verse] One look and I had found a world completely new When love walked in with you
