

Frank Sinatra, On A Clear Day

On a clear day,
Rise and look around you,
And you'll see who you are.
On a clear day,
How it will astound you
That the glow of your feelings outshines every star.
You will follow every mountain,

Sea and shore,
You will see from far and near a world you've never seen before.
On a clear day,
On a clear day,
You can see forever,
And ever, and ever more.
