

# Frank Sinatra, What A Funny Girl (You Used To Be)

(B.Guadio, J.Holmes)

[Recorded August 27, 1969, New York]

You always looked a little out of place, all grown up with freckles on your face  
We'd spend each night with company, just you, the teddy bear, the dolls and me  
What a funny girl you used to be, you always had a thousand things to do  
Getting all involved with something new, always some new recipe the kitchen  
Always looked like World War Three, what a funny girl you used to be  
It was so good with you around, you always found a smile  
Where smiles could not be found, I never ever met a person more sincere  
You'd always listen with an open ear, you'd fall for lines so easily  
Whatever they were selling you'd buy three  
What a funny girl you used to be, what a funny girl you used to be...
