Hob-noblin  
Wit de goblin  
She's black 'n green  
'Cause it's Halloween

Raggedy black  
Is the way she dress  
Little green shoes  
'N her hair's a mess  
On Halloween night  
At de costume ball  
She's a Goblin Girl  
An' she can gobble it all

She's a goblin  
She's a Goblin Girl  
She's a goblin  
She's a Goblin Girl  
I been hobblin'  
'Cause of the Goblin  
Goblin Girl ...Goblin Girl

Some girls like  
To dress like a witch  
Some girls like to dress like a queen  
Best way a girl  
Can dress for me  
Is in a Goblin suit  
(They look so cute...)

When they're a goblin  
There ain't a problin  
When they're a goblin  
I start a-wobblin'  
Pink all over  
Some is tan

Goblin Girls  
From every land  
They look good  
From any which-a-way  
Every Halloween

You can hear me say:  
&quot;Goblin Girl, take it away...&quot;

Hob-noblin  
Wit de goblin

(TRICK OR TREAT NOW...etc)

Talkin' 'bout the bad girls

All the Goblin Girls

Talkin' 'bout the bad, bad girls

The little Goblin Girls

Some are called Doreen

Some are dressed in green

They're tricking your treat

But they're bad girls

They're very bad girls

(LEPRECHAUN LIGHT...etc.)

They make your face look like

you got scales on it

But that's okay...

When the green light shines down

On the black guys in the band

Everybody in the audience

Thinks they're seeing something

That looks like it's made out of

Fish skin

But Coy leaves the green gels in the truss

Because he knows the guys in the front

Really enjoy looking like they've got

Scales all over their body...
