JOE is so disoriented by his disease, he goes in the other room and plays the title cut from an old J

Joe:
Lucille
Has messed my mind up
But I still love her
Oh I still love her
Lucille
Has messed my mind up
But I still love her
Oh I still love her
Lucille
Has messed my mind up
But I still need her
You know I need her
Whatcha tryna doota me
Lucille?
Whatcha tryna doota me
Lucille?
Whatcha tryna doota me
Lucille?
You got me goin' outa my mind
Lucille
Has tore my heart up
But I still love her
I really love her
Lucille
Has tore my heart up
But I still need her
You know I need her
She treats me like my heart
Is made of stone
She runs around
And leaves me home
All alone
She doesn't answer
When I call her on the phone
She messed up my mind
I'm crying alla the time
Lucille
Has messed my mind up
But I still love her
I really love her
Lucille
Has tore my heart up
But I still need her
I really need her
Lucille

My mind up
I love her
I really love her
Lucille
My heart up
But I still love her
I really love her
Lucille
My mind up
I love her
I really love her
Lucille
My heart up
I really need her
I really really need her
Lucille
My mind up
I really love her
I really really love her
Lucille
My heart up
I really love her
I really love her
Lucille
My mind up
But I still love her
I really really love her
Lucille
My mind up
I really need her
I really really need her
Lucille
Has tore my heart up
I really love her
I really really love her
Lucille
My mind up
I really love her
I really love her
