

Frank Zappa, Oh No!

Oh, no! I don't believe it!
You say that you think you know the meaning of love?
Do you really think it can be told?

You say love is all we need
you say with your love you can change
all of the fools
all of the hate
I think you're probably out to lunch!

And in your dreams you can see yourself as a prophet saving
the world.
The words from your lips?
I just can't believe you are such...a fool

I think you should CHECK it again.
How can you say what you believe
will be the key to a world of love?
