Mark Volman & Howard Kaylan:
What will this evening
bring me this morning?

What will this evening
bring me this morning?
Dawn will arrive
without any warning.

What will I say
the next day to whatever
I drag to my hotel tonight?
(If things go alright.)

What will I say
the next day to whatever
I drag to my hotel tonight?
(Will she be outasite?)

What will this evening
bring me this morning?
What will this evening
bring me this morning?
A succulent fat one!
A mod little flat one,
maybe a hot one (to give me the clap!)
maybe a freak who gets off with a strap.

{repeat and fade out}

What will I say
the next day to whatever
I drag to my hotel tonight?
(If things go alright.)

What will I say
the next day to whatever
I drag to my hotel tonight?
(Will she be outasite?)
