

Frankenstein Drag Queens From Planet 13, She's

PMS with a cock in my dress and a 13 on my head

I dress to depress

I put the death in crossdress

I spin my head like Linda Blair

She's a man, She's a man

She's a man, She's a man

She's a man, She's a man

That girl's a man!

Like Frankenstein

I'm a fashionable guy

I got dead beat sex appeal

I'm a scared up mess

A walking corpse in a dress

Like Mtley Cre I've got the looks that kill

She ain't a boy

She ain't a girl

She's a man!
