## Frankenstein Drag Queens From Planet 13, The

c'mon trick or treeters the light is on i welcome every boy and girl up into my home because after all it is halloween night i guarentee a razorblade up in every bite

you bite your nails as you walk up the steps behind door number one is the lunatic and what you don't know is that your goody bag is gonna soon become your body bag

trick or treat, smell my feet, oh yeah give me something good to eat, say ahhh no more trick or treats the last halloween no more trick or treats the last halloween

i'm all dressed up i got my costume on i'm putting needles in the gum and the candy corn don't worry boys and girls it's only for one night but that's all it takes to end your life

trick or treat, smell my feet, oh yeah give me something good to eat, say ahhh no more trick or treats the last halloween no more trick or treats the last halloween
