Frankie Goes To Hollywood, One Night In Bangke

One night in Bangkok makes a hard man humble Not much between despair and ecstasy One night in Bangkok and the tough guys tumble Can't be too careful with your company I can feel the devil walking next to me

Bangkok, Oriental city
And the city don't know that the city is getting
The creme de la creme of the chess world in a
Show with everything but Yul Brynner

Time flies -- doesn't seem a minute Since the Tirolean spa had the chess boys in it All change -- don't you know that when you Play at this level there's no ordinary venue

It's Iceland -- or the Philippines -- or Hastings -- or -- or this place!

One night in Bangkok and the world's your oyster The bars are temples but the pearls ain't free You'll find a god in every golden cloister And if you're lucky then the god's a she I can feel an angel sliding up to me

One town's very like another When your head's down over your pieces, brother

It's a drag, it's a bore, it's really such a pity To be looking at the board, not looking at the city

Whaddya mean? Ya seen one crowded, polluted, stinking town --

Tea, girls, warm, and sweet Some are set up in the Somerset Maugham suite

Get Thai'd! You're talking to a tourist Whose every move's among the purest I get my kicks above the waistline, sunshine

One night in Bangkok makes a hard man humble Not much between despair and ecstasy One night in Bangkok and the tough guys tumble Can't be too careful with your company I can feel the devil walking next to me

Siam's gonna be the witness To the ultimate test of cerebral fitness This grips me more than would a Muddy old river or reclining Buddha

And thank God I'm only watching the game -- controlling it --

I don't see you guys rating
The kind of mate I'm contemplating
I'd let you watch, I would invite you
But the queens we use would not excite you

So you better go back to your bars, your temples, your massage parlours --

One night in Bangkok and the world's your oyster The bars are temples but the pearls ain't free You'll find a god in every golden cloister A little flesh, a little history I can feel an angel sliding up to me

One night in Bangkok makes a hard man humble Not much between despair and ecstasy One night in Bangkok and the tough guys tumble Can't be too careful with your company I can feel the devil walking next to me
