

# Frankie J, We Still

Damn...how did things get this way  
You know I still love you  
No matter what I say  
No matter what I do  
You know we still love each other

I know that you and I have been through  
Many downs before oh yeah...  
But that don't mean the chance  
Has gone away to love each other more  
We've struggled and we've fought  
To keep us both between the lines oh yeah...

Through many years we've cried  
Our tears and always kept our pride  
Aside...so you can't say that

We still...  
Always argue all the time  
Never make love when is right  
We still...  
Never say we love each other  
Always up in one another  
We still...  
Fight for every little thing  
Never ever stop to think that we still  
Always loved each other...

I know at times, you'd believe  
We would never change...oh yeah...  
You said we'd never change...  
That is was much to overcome  
Much of an obstacle to take mmmm  
But you were always one  
To always think the worst of things  
Yeah...

Yeah... yeah...  
So it was always me  
To take the standand take the initiative  
So you can't say that

Chorus

-Oh don't you know that we still  
-Don't you know that I'm for real  
-Oh don't you know we still

We still... fight for every little thing  
Never ever stop to think that we still  
Always loved each other...

Oh! No no...  
Don't you know that we still  
Oh...  
I'm for real... I'm for real baby...  
No no no...  
Oh yeah...  
Ooooh...
