

Frankie Rose, Come Back

So it's done for, say goodbye to me
What a pain, wasted energy
Oh, heavenly
Oh, place to sleep

Come back, come back, come back, come back to me (Come back to me, baby, please)
Come back, come back, come back, come back to me (Come back to me)

Holy underwater holding me
Say goodbye, blackest memory
Oh, you and me
Oh, lost at sea

Come back, come back, come back, come back to me (Come back to me, baby, please)
Come back, come back, come back, come back to me (Come back to me)

Come back, come back, come back, come back to me
Come back, come back, come back, come back to me
Come back, come back, come back, come back to me (Come back to me)
Come back, come back, come back, come back to me (Come back to me)

Come back, come back, come back, come back to me (Come back to me, baby, please)
Come back, come back, come back, come back to me (Come back to me)
