

Frankie Rose, Had It Wrong

You let me down, let me down before
Why can't you see I was lonely?

I don't know, I don't know, I don't know why
I don't know, I don't know, I don't know why

You had it wrong, had it wrong before
I couldn't save us, if only

I don't know, I don't know, I don't know why
I don't know, I don't know, I don't know why

You let me down, let me down before
Why can't you see I was lonely?

I don't know, I don't know, I don't know why
I don't know, I don't know, I don't know why
