

# Franz Ferdinand, Can't Stop Feeling

My soul starts spinning again  
I can't stop feeling  
No, I won't stop feeling  
And the fun's not fun anymore  
I can't stop feeling  
No, I won't stop feeling

You leave me here on my own  
You leave me here on the floor  
You can't feel it  
You can't feel it  
You can't feel it  
You can't feel anymore

Feel anymore  
Feel anymore  
Feel anymore

My soul starts stinging again  
I can't stop feeling  
No, I don't stop feeling  
And we're not 'us' anymore  
I can't stop  
No, I won't stop

And you leave me dancing alone  
You leave me to die on the floor  
You can't feel it  
You can't feel it  
You can't feel it  
You can't feel anymore

Feel anymore  
Feel anymore  
Feel anymore

So boy, you're down and alone  
Your soul is broken again  
But you can't stop movin'  
No you won't stop movin' at all

You can't feel it  
You can't feel it  
You can't feel it  
You can't feel anymore

"(Can't feel it)" anymore  
"(Can't feel it)" anymore  
"(Can't feel it)" anymore  
You can't feel anymore

Any more  
Any more  
Any more  
You can't feel anymore
