

Fred Hammond, Draw Nigh

Lord my heart chases after Thee
How shall I draw You close to me
A broken spirit and a contrite heart
To this You will draw, And I'll draw nigh

(Chorus)

I will draw nigh to You and You will draw nigh unto me
I'll sing a serenade while tears of joy wash my face
You are my reward nothing else compares to You
Lord my God and my salvation
I'll draw nigh to You, I'll draw nigh to You

Craving righteousness, I'm thirsty for Your presence
With all I have, I'll worship the beauty of Your holiness
A broken spirit and a contrite heart
To this You will draw nigh, And I'll draw nigh

(Repeat Chorus)

I will draw nigh
I will draw nigh
I will draw' nigh
(Repeat)

Closer near you, to be in Your glory
Closer near you to fulfill my joy
(Repeat)
