

Fred Hammond, We're Blessed

We're blessed in the city
We're blessed in the field
We're blessed when we come and when we go
We cast down every stronghold
Sickness and poverty must cease
For the devil is defeated
We are are blessed

Verse1

Since though hast walked uprightly, as a light in a dark land
Since though hast placed in thine heart, all the lord's commands
He's set thee above nations, He's cast thine enemies away
He's standing up within thee, so let me hear you say

Chorus

Verse2

Though believeth in GOD only, and put no confidence in man
Everything that does concern thee, you placed it in His hands
Though a host rise up against thee, to try and spoil the day
They'll rush in one road to harm thee, but they'll flee in seven ways

Vamp

We know that god's word is clothed in truth and righteous
We are his children and with our hearts we do confess

Late in the midnight hour, God's gonna turn it around
It's gonna work in your favor

Late in the midnight hour, God's gonna turn it around, and around, and around, and around, and around, and around
