

Fred Hammond, What Can I Give

[Verse 1]

I've questioned but I
Still don't know the reason why
When trouble shook my ground
You stayed around
So faithful Your love has been to me
And Lord I'll always love You for the rest of my days

[Chorus]

What can I give in exchange
For the love You've shown me everyday
My very life just don't seem like enough
But I'd rather give to You
And I'll throw in all my love

[Verse 2]

I'm so grateful that
Your love is available
It hears me when I call
And it lifts me when I'm low
Lord no other love
Is worthy to receive such praise
So I give You all of my life
And love You for the rest of my days

[Repeat Chorus 1x]

[Channel]

I'll waste no more time
'Cause there is no more doubt in my mind
For Your love means the world to me (Can't live without it, no Lord)
(There's no way) That I'd go another day
Without giving You all of me (Can't live without it)
For all Your love

[Repeat Chorus-Out]
