

# fred neil, Other Side To This Life

Would you like to know a secret  
It's just between you and me  
I don't know where I'm going next  
I don't know where I'm gonna be

But that's the other side to this life  
I've been leading  
But that's the other side of this life

Well my whole world's in an uproar  
My own world's upside down  
I don't know where I'm going  
But I'm always bumming around  
And that's another side to this life  
I've been leading  
And that's another side of this life

Well I don't know what I'm doing  
Half the time I don't know where I'll go  
I think I'll get me a sailing boat  
And sail the gulf of Mexico

And that's another side to this life  
I've been leading  
And that's another side of this life

Well I think I'll go to Nashville  
Down to Tennessee  
The ten cent life I've been leading here  
Gonna be the dead of me

But that's the other side to this life  
I've been leading  
But that's the other side of this life  
And that's another side of this life  
Would you like to know a secret  
It's just between you and me  
I don't know where I'm going next  
I don't know where I'm gonna be

But that's another side to this life  
I've been leading  
But that's another side of this life
