## Freddie Foxxx, Bumpy Knuckles Baby

Feel me, I bet you've never seen a nigga that get raw like me Gun in your face, put niggas on the floor like me Who go to war like me? Flip a whore like me? Put the squeeze on rap competitors like me Get less and make more like me Hunt a nigga down like the Predator like me Keep the Macs in the drawer like me How many niggas really raw to the motherfucking hardcore like me? It's Bumpy Knuckles baby, I got lyrical styles forever My endevor is to smash you punk motherfuckers I do it to young niggas, old niggas, rock niggas, soul niggas Scared niggas, bold niggas, since '89 I told niggas I'm still ripping with this timeless shit While you niggas spit that offbeat rhyming shit My life is full of hard times and shit So all I rhyme about is whooping niggas asses and crime and shit
