

Freddie Hart, After Loving You

Now after loving you what else is there to do
Cause darling all the rest will just be second best
I know I'll go tonight comparing into you
But I'll be no good to anyone after loving you

Your love can't be replaced with just another pretty face
These heartaches will remain cause they can't be replaced
Many loves may come along but they can't live up to you
I'm no good to anyone after loving you
I'm no good to anyone after loving you
