

Freddie Hart, Part Of Me

Part of me wants to say that it's all over
Most of me wants to try it one more time
Some of me still got undecided
I wish all of me could just make up my mind

Loving you is always so confusing
Sometimes it's almost more than I can take
I wish that I could let you go to blazes
But I am so afraid it would be a big mistake

You and I that's what we gave each other
At least that's what my heart thought from the start
Somehow your love just didn't grow like mine dear
And now it seems so very far apart
Part of me wants to say...
I wish all of me could just make up my mind
