I want you mhm I need you so badly you know
Oh baby this is no time to go
You know what you're doing you're teasing me so
Oh baby this is no time to go

In your eyes I can see that yearning that burning
Turning me on this is no time to go
You kiss me mhm so softly let me turn the lights down low
Oh baby this is no time to go
[piano]
In your eyes I can see...
